Locals use this loop as a daily training ride so don't be surprised if you run across other riders. The stately homes on the 'Circle' stand guard over Lake DeFuniak and soon disappear as you make your way out of town to the nearby rural vistas of Walton County. Horses and cows may raise their heads to watch as you ride by and you might want to raise yours to admire the flora and fauna of Walton County. Don't be fooled by the easy start of your ride. The first leg is mostly downhill and it is uphill on the way back. A shortcut is available across McCall Dairy Road if you want to avoid some of the climb and best scenery.
