

MERIDIAN MARKETING, INC.

 <p>Complete line of interconnect products including: Power Cords, Modular Phone Jacks, Dsub, Din, Sockets, Twinax, RF, MCS, MMCXF and FCA</p> <p>www.Adam-Tech.com</p>	 <p>Planar capacitor filter arrays, discoidal capacitors, technology, and custom capacitive filters.</p> <p>www.AMCCaps.com</p>	 <p>Toggle, pushbutton, rocker, slide, DIP, tact, key, pushwheel and snap-action switches. Industrial controls, membrane switch products and LED indicators. Joysticks and controllers.</p> <p>www.Apem.com</p>	 <p>DC/DC converters, MagJack™™, integrated connector modules, passive connectors, magnetics and modules for LAN, broadband and telecom applications, fuses and delay lines.</p> <p>www.BelFuse.com</p>
 <p>Circuit Breakers, Thermal, Thermal-Magnetics, Magnetics and Electronics. Commercial and Mil Spec IP68, UL1077, UL489 & Class One Div II approvals/Current sensing and control OCDs for ultra fast MOSFET & IGBT protection.</p> <p>www.E-T-A.com</p>	 <p>Logo's/Product ID, Overlays, Keypads, Front panels, Plastic Injection Molding, Membranes & Touch screens.</p> <p>www.GmNameplate.com</p>	 <p>Circulars, Rack & Panel, Microminiature, D-Sub, Filtered, Hermetic, 2mm, Fiber Optic, RF, Commercial & military/aerospace.</p> <p>www.IttCannon.com</p>	 <p>Capacitors: Ceramic SMT, High Voltage, High Temp, Y2 Safety Certified, Tip & Ring, Tanceram® (for Tantalum replacement), Arrays, Low Inductance & X2Y®.</p> <p>www.JohansonDielectrics.com www.JohansonTechnology.com</p>
 <p>Leading manufacturer of high-quality switches with more than 70 years, specializing in PCB mounted pushbutton switches. The MEC pushbutton switches offers 10million cycle lifetime, Temperature Range of -72°F to 320°F, Ingress Protection IP67, and 100N robustness force.</p> <p>www.MEC-Switches.com</p>	 <p>Leading supplier of frequency solutions specializing in Real Time Clocks (RTC) and Quartz Crystals.</p> <p>www.microcrystal.com</p>	 <p>Ferroelectric random access memory (FRAM) is new generation of non-volatile memory combining high performance & lower-power operation with the ability to retain data without power. Serial FRAM, Parallel FRAM, 2-Wire Serial FRAM and SPI Serial FRAM.</p> <p>www.Ramtron.com</p>	 <p>Rectifier Specialists offering: Schottky Barrier, Super Fast, High Efficiency, Fast Recovery, Silicon, Bridge, Fast Recovery Glass Passivated, High Voltage, Photoflash, Varistor, Transient Voltage Suppressors and Zener Diodes. ISO-900 and QS-9000 certified.</p> <p>www.Rectron.com</p>
 <p>Resistors: Thick & Thin, Wirewound, Metal/Thin Film, Inductors, Current Sensing & Precision. Varistors: Single & Multilayer, automotive & specialty/custom Varistors.</p> <p>www.SeiElect.com</p>	 <p>Thermal Print Mechanisms, Controller Boards, Kiosk sub-assemblies, Panel mount printers, Stand-Alone & Hand Held wireless infrared & RF Printers.</p> <p>www.SiiPrinters.com</p>	 <p>DC & AC fans, Ball, Sleeve and Vapo Bearing, Miniature Blowers and Chip Coolers.</p> <p>www.SunonUSA.com</p>	 <p>Capacitors: Aluminum Electrolytics, Polymers and Film Discrete Semiconductors.</p> <p>www.SurgeComponents.com</p>
 <p>Design, manufacture and market high performance integrated circuits for use in a variety of electronic products such as communications and networking equipment, Industrial and housing control, and communication/information terminals.</p> <p>www.Union-ic.com</p>	 <p>World leader in SAW and XTAL products includes: filters, oscillators, resonators, TCXO, OCXO, VCXO and Clock/Data recovery modules for Telecommunication, Data Communications, SONET.</p> <p>www.Vectron.com</p>	 <p>Wide range of heat sinks for all board level apps including: CPUs, GPUs, VGAs, Chipsets, VRMs, DC/DC converters and BGAs. In addition: Heat Pipes, Epoxy Bonded Heat Sinks, Heat Sinks, Embedded Tube Cold Plates, Extrusions & LiquiCool Rear Door Heat Exchanger.</p> <p>www.VetteCorp.com</p>	 <p>Value-added-provider of high quality display products. Provides cost effective and reliable solutions for virtually all your display requirements, whether they be standard, custom, or integrated; character or graphic; stand-alone or enclosed; starter kit or high volume production quantity.</p> <p>www.VionixGroup.com</p>
